

Letter of Support

TO WHOM IT MAY CONCERN:

This is a letter of support for Dr. Liviu Poenaru, PhD.

I have known Dr. Poenaru for a few years now and we have collaborated for In Analysis magazine, where Dr. Poenaru is co-founder and co-director. We have also spent many hours talking about the importance psychotherapy in creating meaningful social and personal relationships, and in healing family wounds.

I believe that Dr. Poenaru is a knowledgeable and highly experienced clinician, and a well-versed scholar, known for his scientific precision. I highly appreciate his methodical and meticulous approach to clinical assessment and psychotherapeutic interventions.

Thank you and please feel free to reach out to me should you have any questions or inquiries.
